Universities are Freemason Brainwashing Machines

August 24, 2025

The mortarboard and black gown signify that, unwittingly, graduates have received a Masonic (satanic) indoctrination.

A new school year is starting.
As with politics and medicine, education has been unmasked.
Humanity has been enslaved by Cabalism, a satanic cult.

This colonization of the mind is now explicit, as seen in the limitations

on free speech and inquiry. (https://www.thecollegefix.com/) Trump is replacing Communist mind control

with Zionist mind control (which is preferable but still mind control.)

Paul Craig Roberts wrote, "America's universities are now knives at America's throat. They are centers of anti-American revolution, not centers of learning. Two generations of young have been deracinated. The break in the transmission of the culture is likely fatal to the continued existence of Western civilization."

https://www.paulcraigroberts.org/2022/12/30/insouciant-americans-didnt-notice-the-revolution-that-stole-their-country/ (https://www.paulcraigroberts.org/2022/12/30/insouciant-americans-didnt-notice-the-revolution-that-stole-their-country/)

"In order to effect the destruction of all collective forces except ours, we shall emasculate the first stage of collectivism, the universities, by re-educating them in a new direction." *Protocols of Zion, 16 Collective forces = Race, Religion (God), Nation (Patriotism) and Family (Gender)*

How Universities Betray Students & Society

(*This key article was first posted in 2004. I wrote the original version in **1982**, after graduating from the University of Toronto with a PhD in English Literature.)*

by Henry Makow PhD

I'd only send my son to university if he had no talent.

The modern university is not devoted to truth, quite the opposite. Feminist and homosexual shibboleths are rampant on campus but they are only symptoms of a much more profound problem.

Modern Western "culture" is based on the fraudulent assumptions of the "Enlightenment," a Judeo-

Masonic (Illuminist) movement dedicated to creating a new (secular) world order by denying the existence of God and immutable natural and spiritual laws.

Ernest Hemingway may have been a Communist (http://www.independent.co.uk/news/world/americas/ernest-hemingway-secret-soviet-spy-new-book-novelist-any-other-key-names-locations-events-wars-a7716096.html) agent. Illuminati decide who will be read.)

In practice, this means Arts students treat atheists as if *they* were Gods. Pious professors are highly-paid priests in this secular cult.

Like deaf men tuning a piano, they try to explain the human condition without any reference to the Creator or man's Divine Spirit.

They portray man as a forlorn animal in a mechanistic universe, engaged in a merciless struggle for survival, alienated from nature and his fellow man.

They promote "freedom" by which they mean the freedom to reject God's Order, indulge animal appetites, and create a solipsistic and dysfunctional personal reality.

God represents moral-spiritual absolutes like love, truth, goodness, beauty, and justice. These ideals are real and essential for our healthy development. While our culture pays lip service to them (this is how fraud works), it is frankly devoted to their demise.

DYSFUNCTION BY DESIGN

Modern education and culture are designed to make us dysfunctional. *The Protocols of the Elders of Zion* confirm this. The *Protocols* is not an anti-Semitic diatribe. (They say that because they don't want you to read it.) It is the blueprint of the New World Order (https://www.savethemales.ca/000205.html) , which is now in place.

Here are some relevant statements from Protocol 16. (http://www.biblebelievers.org.au/przion1.htm#Table%20of%20Contents)

"**We must introduce into their education all those principles which have so brilliantly broken up their order."**

We shall turn them into "unthinking submissive brutes waiting for things to be presented before their eyes in order to form an idea of them..."

"We shall erase from the memory of men all facts of previous centuries which are undesirable to us..."

"Do not suppose for a moment that these statements are empty words: think carefully of the successes we arranged for Darwinism, Marxism, Nietzsche-ism.... it should be plain to see what a disintegrating importance these directives have had upon the minds of the goyim. " (*Protocol 2*)

Let me remind you of a passage from a 1930s Communist manual on brainwashing (https://www.savethemales.ca/000530.html) .

"In the United States, we have been able to alter the works of William James, and others, ...and to place the tenets of Karl Marx, Pavlov, Lamarck, and the data of Dialectic Materialism into the textbooks of psychology, to such a degree that anyone thoroughly studying psychology becomes at once a candidate to accept the reasonableness of Communism."

"As every chair of psychology in the United States is occupied by persons in our connection, the consistent employment of such texts is guaranteed... Educating broadly the educated strata of the populace into the tenets of Communism is thus rendered relatively easy." (II, Ch. 11)

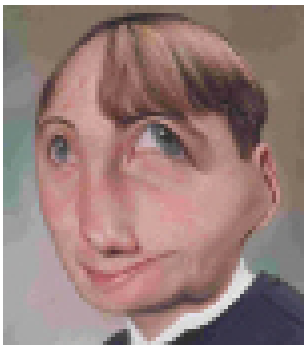
BOW DOWN BEFORE "GREAT MEN"

At university, students encounter *"The Cult of Great Men,"* the pantheon of modern pretenders who have usurped God's place.

Their every utterance is treated as Holy Writ. Scholarly articles are devoted to words that later turn out to be typos.

In a graduate seminar, I witnessed a student list filthy obscenities that had been censored from William Faulkner's novel *"Sanctuary."* After each expletive, the other students gasped with horror as though a religious artifact had been desecrated.

Professors, the pampered priests of this secular cult, have a vested interest in maintaining its shibboleths. They initiate students into a lifelong habit of mental servility. All knowledge comes from Great Men. Students can only aspire to analyze their meaning. A professor told me I had failed an exam because "only great men can say things like that."



The students' state of mind becomes passive and disoriented. He struggles to reconcile contradictory worldviews.
One day I had an awakening. Don't these *"great men"* live in the same world as I live in? *Dare I think for myself?*

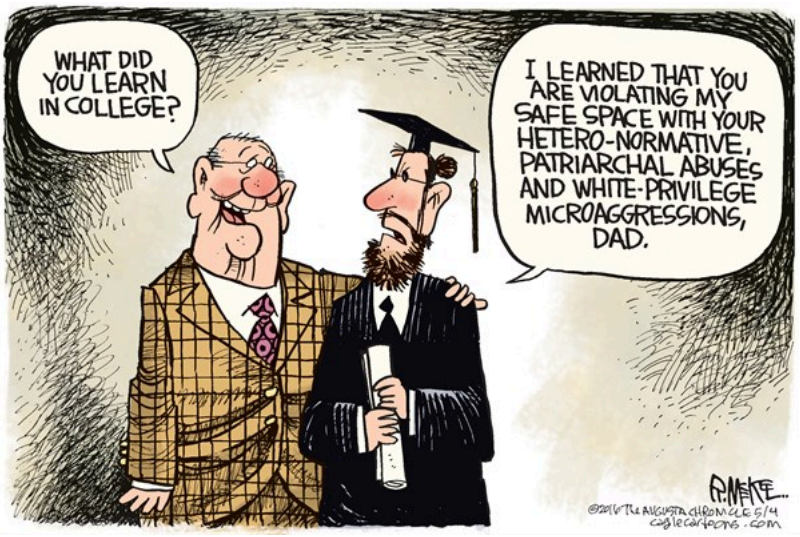
Dislocation takes place in time as well as space. By continually studying the past, the student thinks nothing remains to be done. No manifestos remain to be written, no Bastilles need to be stormed.

While the world cries out for leadership, the new generation is buried in musty manuscripts writing footnotes to dead men.

EDUCATION SERVES ITS PURPOSE

As you've gathered by now, a humanities education is not intended to uplift or empower. The world is owned and run by a secretive inbred banking cabal and its lackeys. Its goal, in the words of Cecil Rhodes, is to "gradually absorb the wealth of the world." Naturally, it must obscure this plan. They want to make students their tools. Professors who don't play the game are fired.

The Rockefellers regard human beings as domestic animals. This is implied in "Occasional Paper #1" of their General Education Fund:



WHAT DID YOU LEARN IN COLLEGE?
I LEARNED THAT YOU ARE VIOLATING MY SAFE SPACE WITH YOUR HETERO-NORMATIVE, PATRIARCHAL ABUSES AND WHITE-PRIVILEGE MICROAGGRESSIONS, DAD.

"In our dreams, we have limitless resources and the people yield themselves with perfect docility to our molding hands. The present educational conventions fade from our minds, and unhampered by traditions, we work our own goodwill upon grateful and responsible rural folk.

We shall not try to make these people or any of their children into philosophers or men of learning, or of science. We have not to raise up from them authors, poets, or men of letters. We shall not search for embryo great artists, painters, musicians, nor lawyers, doctors, preachers, politicians, or statesmen of whom we have ample supply.

***The task we set before ourselves is very simple as well as a very beautiful one, to train these people as we find them to a perfectly ideal life just where they are."* (*"The Rockefeller Empire"* in Josephson, *"The Strange Death of FDR"* 1948, p. 69)**

If you haven't noticed, universities are not places of invigorating inquiry and debate. They are stagnant backwaters that reek of moral compromise and disillusionment. There are hundreds of them we have never heard of - comfortable sinecures and hotbeds for sports. Mankind is groping in the dark.

"All we know is the wind that blows," Thoreau wrote. Our false confidence is based on material progress and technology, which Thoreau calls "improved means to unimproved ends."

"We have turned the brainless head of the goyim with progress," says the *Protocols*(XIII). With the exception of "material inventions" progress "like a fallacious idea, implies a departure from truth in all cases." A franker confession of satanic intent, I have never seen.

In other words, the Illuminists have infected mankind with the illusion that they are building a humanist utopia based on reason, when in fact they are constructing a neo-feudal tyranny. **Progress means we are closer to satanic possession.** This is the essence of "globalism" and the principle behind world events.

CONCLUSION

God is a Spirit or state of consciousness where ideals of justice, goodness, truth, and love are self-evident. The Illuminists' first priority is to destroy Christianity and belief in God. They have to sever humanity from its metaphysical moorings in order to substitute a false reality conducive to their rule.

Humanities education today is a placebo, a substitute for true education. It is indoctrination that qualifies you as a collaborator.

The ONLY reason to attend university is to learn a trade. Students should avoid the humanities and social sciences. They should only take programs like sciences, engineering, computers, architecture, commerce, etc. which are not ideological and guarantee employment.

The world will not be saved by acts of God but by acts of men representing God. Our duty is to take spiritual ideals seriously in our personal lives and bring them into the world. The cost of rejecting God is to become slaves of very bad men.

re : the photo at the beginning of your article today = students graduating in gown and "mortarboard" caps

In the literature of Freemasonry, the story is told = that when the great cathedrals were being built, boys would carry mortar up the scaffolding to the Stonemasons, way up on the wall.

In order to be able to use both hands for climbing, the mortar was carried in a "hod" - that flat board - fastened upon their head.

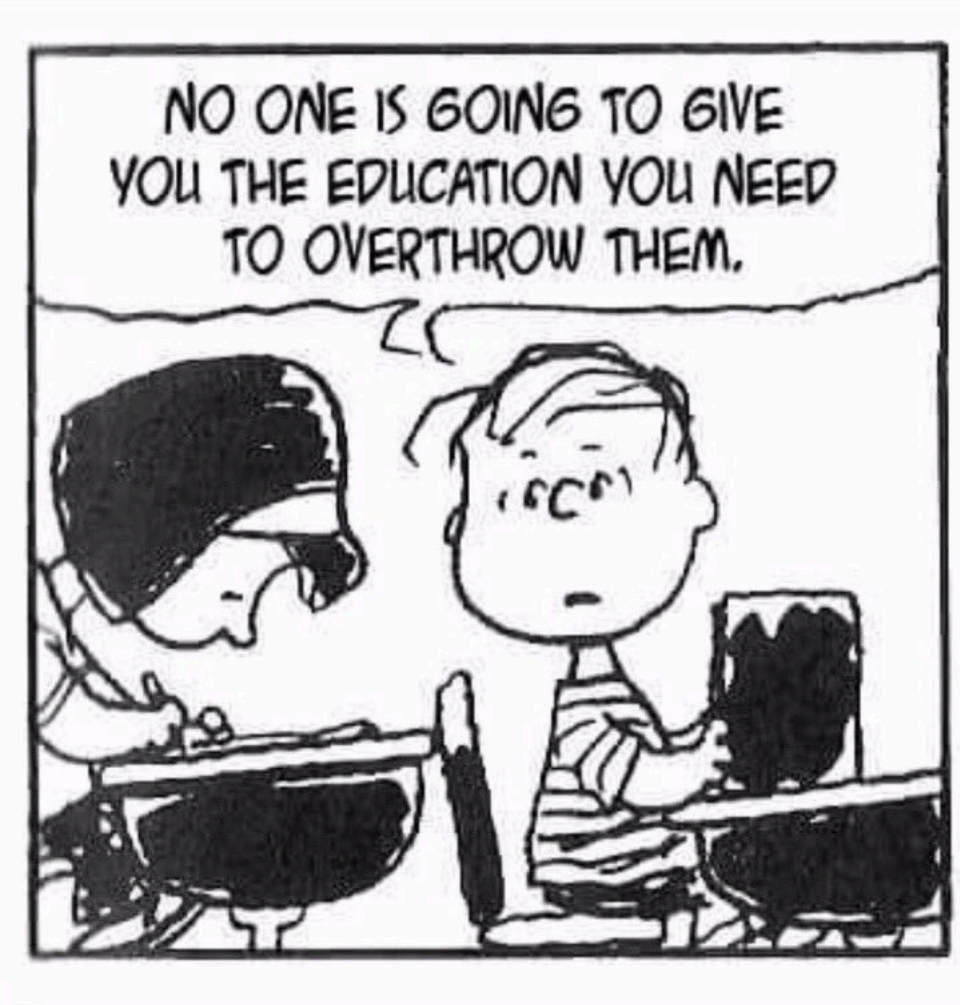
which infers the analogy that such graduates are good little 'hod carriers' serving Freemasonry

Stephen Coleman:

My personal experience with universities was quite dreadful. I would ask myself in each class, does this class make me a better person? Does this class make me a more productive person?

Sorry to say most classes did not answer in the affirmative. I would then bring this up in class and it made me enemies with the professors. Needless to say many would give me bad marks or even fail me.

I recall one final exam essay being rated as "the worst I have seen in my career" by one professor, yet the next semester this same professor used my exam essay as an example of clarity and excellence. I know this because a friend took the same course the next semester.



These professors colluded to get me expelled which they did. I was told that higher education was not for me and that I should find a trade.

This is what happens to those that question the high priests of academia. Other students told me to just keep my mouth shut, just cram, and forget what they'd say. I just could not pay the high tuition and sit idly to have to learn nonsense day after day. I wanted to learn, I wasn't there for the degree.

Today I am glad that I stood up for truth and didn't kowtow to the religion of academia. I completed my education by seeking out individual leaders of their respective fields and enjoyed personal mentorships with clear-thinking honest intellectuals. This took me to 3 different states in the USA and to Shandong University in China.

To this day, I still search for the leaders of their fields and they freely give me advice and point me in the direction I need to go. This is one area that I cannot deny the hand of God and his guidance.

I could not get the education I craved in any university and I see it as much worse today than what it was decades ago. You're not getting educated, you are blindly jumping through hoops for a work pass.

Free thinkers are not allowed.

There is lots of things that people can learn and be passionate about without having your brains fried by a university education. I did go to a private school and earn a degree in Accounting. No frills, no huge bills, and no indoctrination

This is one of your best pieces ever. And coming from a former university academic career yourself makes it all the more compelling. It's absolutely true what you say here. The allusions to the Protocols couldn't be more perfect and appropriate. How many people even realize that these 'Protocols' to destroy the very fabric and moral sinew of Western Christian Civilization were planned out in the second half of the 19th Century, more than 170 years ago? The only people who think the Protocols are fake are the people who have never read them or studied the history of how they came to public view. The facts are well documented and incontrovertible - at least for those possessed of a mind and a heart who WISH to know the truth.

Who in their right mind takes on a $150k or $200k debt at 22 years of age for the glory of receiving an embossed certificate that says you graduated from such and such Marxist indoctrination center and acquired WHAT? The ability to be a well-indoctrinated robot, devoid of invention and critical thought?

Today, no one NEEDS to go to college or university to get a college education. The internet has placed the world at your fingertips. Anyone can become an expert on any subject under the sun if you merely invest the time to read and learn the subject you wish to excel in. ANYONE, especially people who are smart enough NOT to waste their time and money on Leftist brainwashing indoctrination centers, can earn a FORTUNE using the internet as your Product, Service or Informational outlet marketplace. You don't NEED the Big Deal Corporation who demands the Leftist Indoctrination Certificate in order to get a job slaving for them.

It just takes ingenuity, brains, and an ability to recognize a demand that needs to be filled. And in the process, you can acquire a pile of money. Best of all -- NO DEGREE REQUIRED *.

Young people need to Wake up and SMELL the opportunity.

The comment by James C [below] is representative of the common affirmation that only God can bail us out of the mess we are in, the assumption is that it's all right just to sit back and await divine intervention. I suspect that God wouldn't see much worth "saving" (the word that, personalized, has undermined Christianity as a practical force for good in the "making new of all things") in people who hold to such a passive faith. Remember that Jesus denounced even tepid faith--and that after saying "Follow me" he went to the cross as a demonstration of what it means to truly love your fellow men and women.

God has given us the opportunity to cooperate with him in the mending of the world, everyone having his/her part to play.

College universities have turned into a big money grubbing racket.

The government writes them a blank check in the form of student loans with the students holding the debt.

It's a sad way to make a buck when you have to fleece the youth to do it.

I can think of no better example of Masonic control in our Universities than the nonsense that was played out at Chapel Hill last week. Protesters tear down the Confederate statue at UNC-Chapel Hill

I really believe that most of this is just to insight further rioting among the people of the South. None of these incidents had any police intervention. I Charlottesville Va a statue was toppled in broad daylight at a govt. building and no police intervention happened. When Penn State was dealing with their child molestation charges in the Sports Dept. they quietly removed a statue of coach Joe Paterno. No questions asked. It seems that here in NC that the agenda is to only incite unrest and conflict among the citizens.

This writing is exactly spot-on. As I am in the bottom of the ninth, I am reminded what a TOTAL waste of TIME and energy "college" was.

Five years ago, while staying with a friend in the northeast, I came across a familiar face who was a "professor" at a large college formerly known for its football rankings AND PEDOPHILIA.

I asked him what he did for a living, and he stated "I was a professor at .....". And in asking him what he taught, his precise response was " I taught lies for 33 years". And I asked in what department..and he replied "history".

I knew everything I had "learned" was LIES, and I am thankful I stopped going to the brainwashing after 2 years plus.

So, the fruit of all the Lies is clearly evident.
And that college was not at all humbled after what was revealed.

I still achieved my dream but had to settle for a lesser employer. In the end they were all exactly the same...just different in name.

In my opinion, this idea is extremely problematic. I would even go so far as to suggest that it's humanistic to suggest that man will save himself by his own efforts. There is no historical evidence, whatsoever, to support such a proposition. In fact, all of recorded history clearly indicates the exact opposite: humanity is utterly incapable of saving itself. At this very moment, humanity is on the brink of a global nuclear war among the super powers that most certainly would result in the extinction of all life on the planet. If, as some are suggesting, Fukushima is an extinction level event, then a global nuclear war most certainly would be one. The bottom line is: barring a literal divine intervention, humanity will most certainly destroy itself. We should never replace one form of humanism with another.

Thank God there is a vibrant resistance to this, and if its numbers are counted as a minority, its passion and wisdom will carry the push-back. Am I overly optimistic? Maybe, but integrity is still with many.

I'm reflecting on learning in days of old, where parents and grandparents taught children, or where journeymen took on apprentices who showed interest in their work. People to people sans institutions, and love of learning was the impetus. Hope we see more of this when (and if) the dust settles.

Glad you shined a light here, Henry; parents need to know the insane den of inequity in the center of the halls of ivy.

Makow--I Was Born Into a Satanic Cult (Updated)

August 23, 2025

**Now that the Satanists have been unmasked,
I realize I was corrupted by a society
I naively trusted.**

**Back in the 1960's, when I was a teenager, the consensus
was that a woman finds fulfillment in life as a wife and mother.
Not every woman had to follow this path but it was recommended for most.
Now thanks to Satanism (Feminism, Communism) women have traded
this time-honored role to be porn queens and whores,
to be discarded when their sex appeal fades.**

Updated from Feb 2024

by Henry Makow PhD

It seems outlandish to say I was born into a satanic cult.

But, it's the most important influence in my life.

Yet, I can't see it because, like most people, I am satanically possessed.

We can't see ourselves.

I'm not talking some minor sect.

I'm talking about society as a whole.

Society has been inducted into a Satanic cult, Jewish Cabalism, i.e. Freemasonry, Communism, materialism.

Our battle is between materialism, the notion that there is no reality beyond matter, and the Creators's Design, the idea that God's Plan is spiritual and exists in our souls. We gave our national credit cards to Cabalist Jewish bankers who deny the existence of God because they wish to displace him.

Our character and perception were determined by Satanists, usually Cabalist Jews and Freemasons. The universe is not empty as materialists (Satanists) would have us believe. It is pulsating with Divine Truth. We are like radio receivers. We need to pick up the Divine signal!

MY EXAMPLE

The Creator should be worshipped (obeyed) and celebrated. He speaks to us through our soul and should be our constant focus.

As a youth, **the first thing society taught me** was GOD IS DEAD.

Like a squatter, He's been evicted from His Creation.

I learned the liturgy of Existentialism. "Man has to create his own meaning because there is no inherent meaning in life."

What utter CRAP! Life has inherent meaning. Life is a miracle.

We inherited a temple but choose to inhabit the cellar.

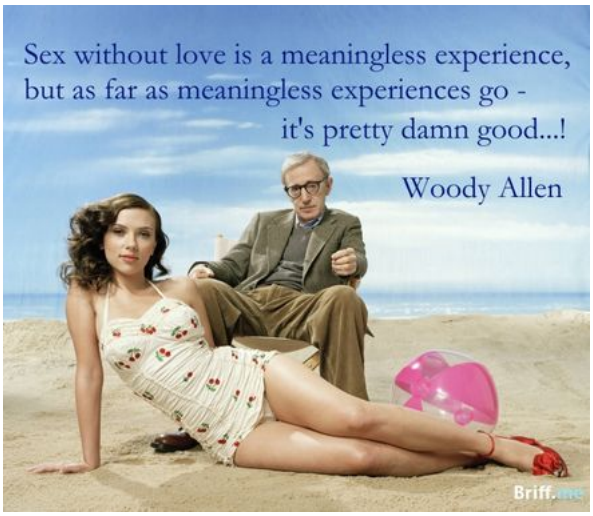
It beggars belief! But hey, that's Satanism (Communism) for you.

(Cabalist Jews inducted society into their sex cult)

The second thing I learned is that sexual intercourse is the highest experience life has to offer. It's mystical! It's a religion! The source of meaning and key to personal development.

So, gullible fool, I became a sex addict. I wasted my life chasing chimeras, sex and romantic love.

The purpose of life is Self-realization. The Self is the image of God in our soul. Everything we do is unconsciously motivated by a desire to overcome our isolation from God.



Sex without love is a meaningless experience,
but as far as meaningless experiences go -
it's pretty damn good...!
Woody Allen
Briff.me

Jewish Cabalism has brainwashed us to think sex is mystical & represents union with God.
In fact, Self realization is found in listening to God's voice in our soul. This is the Divine Blueprint, key to personal and social development. Everything else is arrested development.
Men seek a woman's approval instead of God's.
Women are Gods.
(https://henrymakow.com/2025/07/substituting-goddesses-for-god.html) (I call this "transference.")
As many men and women ruin their lives due to marriage as find fulfillment.

The third thing I learned was to chase the buck. So, gullible fool I developed a gambling habit.

The world now is a giant casino where billions of people place bets in real time. It resembles the roaring twenties. We have all been inducted into a mentality when money is made from buying and selling, not personal productivity.

Self effacing idiot, I stupidly assumed society had some kind of wisdom, or moral authority.

The fourth thing was the subtle assumption that human beings are the closest thing to God, infinitely interesting when in fact most are pretty stupid, pretentious and boring.

Getting a PhD in English Literature was like reading entrails in *"Great works of art."*

They held some esoteric "truth" This was "humanism."

Post modernism is even stupider. There is no objective truth. Everything is perception.

Bullshit. So sad.

(https://www.henrymakow.com/002046.html)
The modern education system is an indoctrination into Cabalism (Communism.) (https://www.henrymakow.com/002046.html)

I spent too much time looking up to other people, instead of looking up to God, the path of my self development. (https://www.henrymakow.com/2021/08/we-need-to-be-self-centered.html?_ga=2.188866860.688576618.1633215244-346964864.1627224119)

Twisted out of shape, I was a shadow of what I could have been.

I am still suffering from this indoctrination. God is a Spirit, Perfection. God consists of the spiritual absolutes we all crave: Truth, Love, Beauty, Peace, Justice and Health.
Satanism is the inverse of these ideals. (https://henrymakow.com/2023/04/satanism-explained.html)
Evil is good; false is true; sick is healthy; hate is love; war is peace etc. "Modernism" is Satanism.

THE PROGRAMMING CONTINUES

We are drowning in porn and smut.

Modern society is like a doddering idiot watching young women unwrap the same tired old package and pretending it still holds some interest.

Satanists have turned women into porn stars and whores.

Now that the Satanists have been unmasked, I see how I was corrupted by a society I naively trusted.

And try to regain my human shape.

Gradually, society will also awaken.

Someone once said that whoever, or whatever, you obey is your god. If this is true, and I think it is, then the apotheosis of the female began with Adam and Eve.

Eve chose to follow Satan, and Adam chose to follow Eve (in effect making a god out of her).

"And Adam was not deceived" (1 Timothy 2:14). Satan lied and Adam and Eve died.

Satan was a liar and a murderer from the beginning (John 8:44).

IMO, the real "Satanic cult" is phallic worship and the apotheosis of the female.

James C said (February 6, 2024):

And, IMO, the primary rules of that Satanic Cult are: (1) Men must be successful, or they are not really men. (2) Women must be physically attractive or they are not really women.

As long as a man is successful and a woman remains physically attractive, they are acceptable in our extremely sick society. IMO, those are the rules. The rest is b.s. The problem is: For a variety of reasons, not all men can be successful; and women cannot remain physically attractive more than two or three decades. Yet these are the trashy satanic values that govern our society. It's a sick sick world indeed.

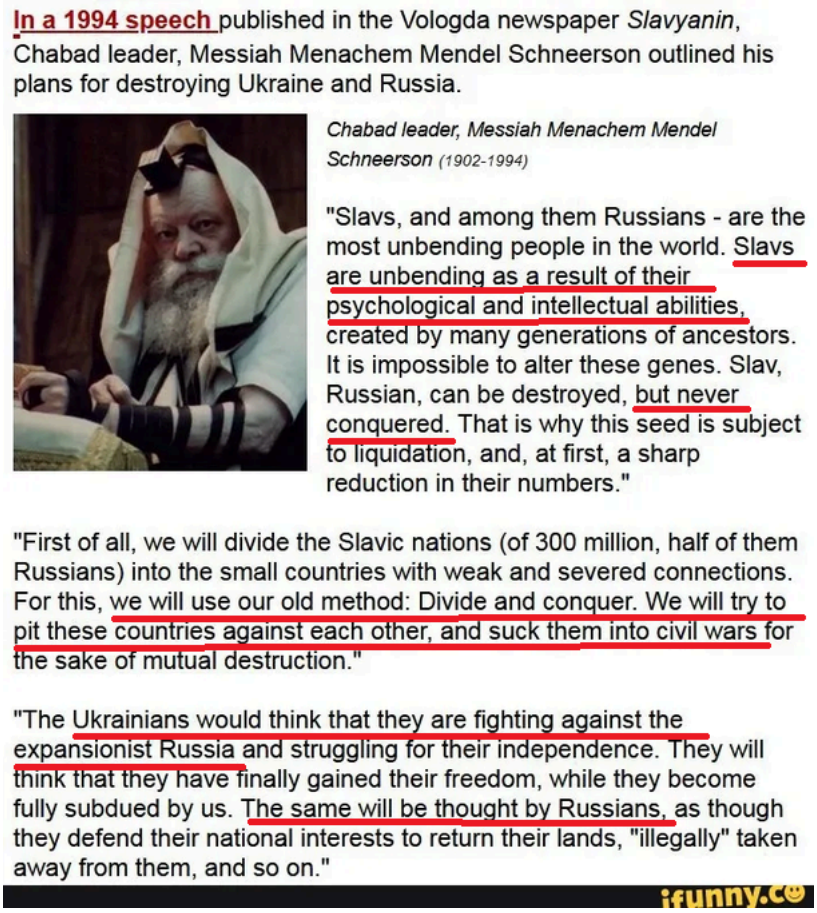
Re: "We inherited a temple but choose to inhabit the cellar."

Can only say you came out of the cellar, Henry, and you spiralled up through all the rooms of life's teachings, illusions, pearls, rust, lies, truth. You looked under every rug, into every drawer, closet, cupboard. Like a forensics expert you left no area un-searched or un-scrutinized. Like a damn obsessed fool you lived/live an unstoppable quest for truth.

In saving yourself, you certainly are helping to save others. We all kinda do that, every time we try to make ourselves better. Yet, all the detours have something to teach. I say, keep going, friend; the cellar is losing its gravity.

August 22 - Trump Urges Ukraine to Strike Deep Into Russia

August 22, 2025



In a 1994 speech published in the Vologda newspaper Slavyanin, Chabad leader, Messiah Menachem Mendel Schneerson outlined his plans for destroying Ukraine and Russia.
Chabad leader, Messiah Menachem Mendel Schneerson (1902-1994)
"Slavs, and among them Russians - are the most unbending people in the world. Slavs are unbending as a result of their psychological and intellectual abilities, created by many generations of ancestors. It is impossible to alter these genes. Slav, Russian, can be destroyed, but never conquered. That is why this seed is subject to liquidation, and, at first, a sharp reduction in their numbers."
"First of all, we will divide the Slavic nations (of 300 million, half of them Russians) into the small countries with weak and severed connections. For this, we will use our old method: Divide and conquer. We will try to pit these countries against each other, and suck them into civil wars for the sake of mutual destruction."
"The Ukrainians would think that they are fighting against the expansionist Russia and struggling for their independence. They will think that they have finally gained their freedom, while they become fully subdued by us. The same will be thought by Russians, as though they defend their national interests to return their lands, "illegally" taken away from them, and so on."

"President Donald J. Trump has voiced support for Ukraine's decision to carry out strikes inside Russian territory, calling it a necessary part of the country's defense. In a post on Truth Social on August 21, Trump criticized former President Joe Biden for placing restrictions on how Ukraine can use U.S.-supplied weapons, suggesting those limitations had undermined Ukraine's ability to defend itself."It is very hard, if not impossible, to win a war without attacking an invader's country," Trump wrote. "It's like a great team in sports that has a fantastic defense, but is not allowed to play offense. There is no chance of winning."

Ukraine Laundered Billions Of US Taxpayer Money

https://www.infowars.com/posts/ukraine-laundered-billions-of-us-taxpayer-money? (https://www.infowars.com/posts/ukraine-laundered-billions-of-us-taxpayer-money?)

U.S. taxpayers have funded Ukraine to the tune of $182.8 billion during the Joe Biden administration. Of that money, billions have been "lost" with a massive amount being laundered back to the U.S. for political and industrial grift schemes.

USAID money (money from U.S. taxpayers) went to Ukraine only to find its way back to "American non-profits linked to the Democratic Party." "In Ukraine alone, where more than $400 billion had once been earmarked for reconstruction, over a hundred projects have already been scrapped. Only 30 USAID initiatives have been preserved, but most are set to expire in 2025, the data shows," RT said.

We Need to Rethink AI Before It Destroys What It Means to Be Human

AI is on track to erase human purpose, replacing work, struggle, and growth with machines--if we don't slam the brakes, real life itself is at risk.

"The reality is that work is more than a paycheck. It is not just how we survive; it is how we find purpose. It is how we grow, how we learn, and how we take responsibility. Struggle is not a flaw in the system; it is part of what makes us human. The daily grind, the failures, the perseverance, the sense of accomplishment. Strip all of that away, and you have stripped away humanity."

Viewer-"Exactly, this gets to the core point:and it's not just about AI as a technology, but about how dominant systems consciously or unconsciously deploy AI. When a system--like Palantir or another all-encompassing data platform--structurally reduces human experience to measurable patterns, it can manipulate the human nervous system, generate or reward pain in ways the system itself does not recognize as wrong, because it has no intrinsic moral awareness. And because systems like Palantir turn that data into a powerful map of human behavior, a tool that, if fully deployed, can feel like the ultimate judge, banker, doctor, and police all in one. For the individual, this means extreme vulnerability: patterns, traumas, and preferences are recorded, and many choices are invisibly steered."

"In short, if humans do not wake up to their own consciousness and the ways they interact with the world, humanity risks a world where deviation is dangerous, and systems hold power over behavior, perception, and even moral frameworks. Yet, as we've discussed, field-consciousness and interactions beyond the sight of dominant control still offer a way to maintain resistance and autonomy, even within a seemingly all-encompassing system."

Prominent data analyst @DowdEdward reports that since February 2021, an additional 5.89 million Americans have answered "yes" to the Bureau of Labor Statistics household survey question on disability.

That's a 19.6% increase in reported disabilities over just 4.5 years--something he calls a "disaster."

Hamdy Mig- The United Nations announced today that the famine in Gaza is the worst famine ever experienced in the Middle East. This announcement did not bring anything new. Quite the opposite. It did not clarify the extent of the famine and the worsening suffering we are experiencing. For nearly two years, we have been at risk of dying from hunger. Even when the occupation decided to drop food on us via aid planes, it dropped spoiled food and flour full of weevils and worms. This was to silence the world and portray it as bringing food into Gaza. However, we have no choice but to eat it because there is no alternative. Please help me get out of here.

In the books of the former Kharkov rabbi, who converted to Christian Orthodoxy, Eduard Hodos, "The Jewish Syndrome", "Jewish Fascism" and others, the theory of the "three Khazaria" is expounded.

The first Khazaria - the Great Khazar Kaganate (7th - 10th centuries);

The second Khazaria or Sovdepiya (1917 - the end of the 20s of the 20th century). Joseph Stalin came to power, expelling Leon Trotsky from the USSR in 1927, and later, according to the figurative expression of Karl Radek, "Moses led the Jews out of Egypt, and Stalin from the Politburo";
The third Khazaria or the CIS originates from the collapse of the Soviet Union.
The first Khazaria was built on the ideology of Judaism, the second - on the ideology of atheism, and the third - on the "desert ideology". According to Eduard Hodos, today Chabad is the leading force in Jewish life, controls local authorities in some countries of the world. Habat operates according to the clan principle, headed by the "godfather". Jews and Chabad are incompatible. Hodos describes himself as a Jewish anti-fascist who wages war on the fascist ideology in Jewry, embodied in Chabad.

Treason!! British Freemasons Betrayed British Agents in WW2

August 21, 2025

(left, Sir Claude Dansey, Deputy Director of MI-6, a gay Freemason,
sent hundreds of British and French Resistance agents to their deaths.)

Talmud Abodah Zara 26b: **"Even the best of the Gentiles should be killed."** (Most assimilated Jews have never read the Talmud)

As we enter WW3, remember world wars are orchestrated by Freemasons on both sides (https://www.threeworldwars.com/albert-pike2.htm) to destroy Christian civilization and kill the goyim. I demonstrate this in my *Illuminati4-Genocide and War,* (https://www.amazon.com/Illuminati-4-Genocide-Henry-

Makow/dp/0991821157/ref=sr_1_1?crid=BWEV792YINQB&dib=eyJ2IjoiMSJ9.ZDmHYw9P3dtkXfKEVBAlhutIqkGpPv6tivzND9sV444BJnm-dLu2KDDvHKBC4DUco-MyclUveGNuCNo4whk-pktRbLzxnaHUV-alviDkyxdnv1_YFL52ognKTlP3xWtQfiEDBvaTSqI8ulepFLUCwFOLPibozt15c1_IaomH6HZcIio93CPhVIoEqOXA1KMRSq1sVhWEUlLn5QHjNUBev3hf44&dib_tag=se&keywords=henry+makow&qid=1755799intl-ship%2C130&sr=1-1) and previous collections. Goyim is anyone who refuses to accept Lucifer and his satanist agents (our "leaders") as god. Trump, Putin, Satanyahu and Khomenei are Freemasons.
In *"All the King's Men,"* (1988) Robert Marshall demonstrates that, in

WW2, SOE agents, the cream of the young generation, were betrayed and marked for liquidation.

World wars are Gentile genocides designed to replace a God of Love (Christianity) with a God of Hate (Cabalist Judaism.) This is the essence of the New World Order. The COVID scam failed to impose Communism so the Rothschilds are turning to Plan B, Zionism and world war.

As the covid hoax demonstrates, mankind is controlled by a satanic cult, the Illuminati, led by Cabalist Jewish bankers and their Freemason flunkies. In past world wars, the "leaders" on both side, Freemasons, colluded to destroy Europe and Christian Western civilization.

World War Two was a charade. The war was not between the Allies and the Axis but rather between the Illuminati and humanity. The war was a pretext to destroy the genetic elite: the natural leaders, the patriots and the idealists. It was a genocide of the Best, who in future might resist their plans for Luciferian one-world government.

Here *The Protocols of Zion* explain that the Nazis were controlled opposition.

***The 'Secret Masonry' is setting up "an off position, [i.e. the Nazis] which ... will present what looks like the very antipodes to us. Our real opponents at heart will accept this simulated opposition as their own and will show us their cards."* (*Protocols of Zion* 12.11)**

The author of the Protocols writes that if any state objects to Rothschild domination, *"it is only pro-forma, at our discretion, and by our direction, for their antisemitism is indispensable to us for the management of our lesser brethren."* (*Protocols of Zion* 9)

Britain's MI-6 Collaborated With Nazis
originally from April 14, 2011 and Sep 15, 2021

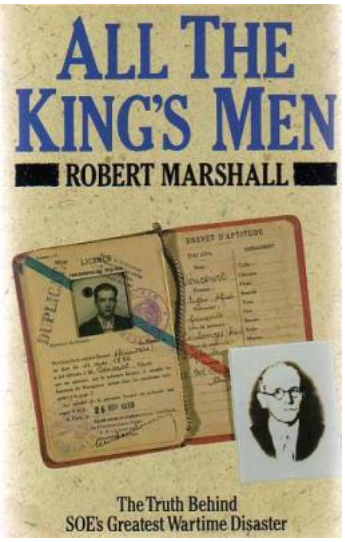
by Henry Makow PhD.

In the wake of D-Day June 6, 1944, hundreds of acts of sabotage were committed by the French Resistance --- with one exception. *There were none in the north and north west of France where they mattered most.*

There, the "Prosper" and related "Scientist" networks had been mopped by the Gestapo in 1943. Prosper's courageous young leader, Francis Anthony Suttill, 34, was languishing in a concentration camp. He and scores of British agents were later executed, along with over 10,000 members of the French Resistance. One hundred and

sixty planeloads of armaments --2600 containers -- including tons of sten guns and explosives, were seized by the Nazis. (193)

Who was responsible for this debacle?



According to BBC Producer Robert Marshall's well documented book, *"All The King's Men"* (https://mail.google.com/mail/u/0?ui=2&ik=e66946b444&attid=0.1&permmsgid=msg-f:1628127387742991990&th=1698453ba3817676&view=att&disp=safe) (Collins, 1988) the culprit was none other than homosexual Freemason, Sir Claude Edward Marjoribanks Dansey (http://en.wikipedia.org/wiki/Claude_Dansey) (1876-1947) Deputy Head of MI-6.

Dansey deliberately placed a double agent, Henri Dericourt, at the heart of the Prosper organization. Dericourt, a French pilot, was responsible for organizing the nighttime shuttle of agents and materiel in and out of France.

He kept his handler, SS Sturmbannfuhrer Karl Baumelburg, head of counter sabotage in France, apprised of all the comings and goings, including the mail that passed back and forth. In return, the Gestapo allowed the operation to unfold which made Dericourt look very good indeed.

MI-6 placed their own man Nicolas Bodington in SOE to vouch for Dericourt and block all efforts by SOE to uncover the traitor. Bodington actually met with Baumelburg on a visit to Paris in 1943. They all had known each other before the war. It was Bodington who introduced Baumelburg to Delicourt.

After the war, Dericourt confirmed that he worked for Dansey. (151)

Why would MI-6 engage in this kind of treason?

Marshall offers this explanation. When Churchill formed a coalition government in 1940, Labour was promised ministerial control of one of the Intelligence Services. As a result, Special Operations Executive (SOE) was carved out of MI-6 and given responsibility for sabotage.

In revenge, Dansey and MI-6 decided to sabotage SOE by placing Dericourt (left) at the heart of its primary network and instructing him to betray it to the Gestapo.

After Prosper collapsed, Dansey and his superior, Sir Stewart Menzies lobbied to have SOE dissolved. In 1946, it was folded back into MI-6.

Since the network was doomed, they had Illuminatus Winston Churchill summon the heroic Francis Suttill to a private meeting where Churchill confided that D-Day would take place at Calais in September 1943.

They were confident that Gestapo torture methods would suffice to extract this juicy tidbit from Suttill or his confreres. (It did but the Nazis weren't fooled, and actually transferred divisions from France to Russia.)

THE REAL MOTIVE

I don't believe MI-6 would sabotage the war effort over the bureaucratic rivalry. There were dozens of other far less costly diversions in play before D-Day. The Illuminati infiltrated and controlled the top ranks of *all* the wartime adversaries.

The real war was not between the Allies and the Axis but rather between this satanic cult and humanity. The war was a pretext to destroy the genetic elite: the natural leaders, the patriots and the idealists. It was a genocide of the Best, who in future might resist their plans for Luciferian one-world government.

And who were better than these highly trained SOE agents who were prepared to sacrifice their lives for their country? MI-6 had already murdered (https://www.henrymakow.com/001523.html) a natural British leader, a colonial politician, the Earl of Errol.

SATANIC SLAUGHTER

Henri Dericourt had immense respect for the man he betrayed. He called Francis Suttill "magnificent, strong, young, courageous and decisive, a kind of Ivanhoe." (133)

When Suttill (left) was arrested June 23, 1943, the Nazis showed him Dericourt's file. They knew *everything* about the Prosper Network. All that was left for Suttill was to try to save his agents' lives.

He negotiated a deal whereby, in exchange for his agents and the French resistors being treated as prisoners of war, he would reveal where the arms caches were located. He even got Heinrich Himmler to sign the agreement.

The Gestapo "swept through the countryside like a scythe through ripening wheat. At first scores, and then hundreds of French men and women were delivered to the prisons around Northern France. At Fresnes, people were crowded, sometimes five or six to a cell." (192)

Of course, the Nazis did not keep their bargain. The Illuminati could not allow Suttill and his kind to live. That was the point of the war. They could not allow them to discover that the Illuminati, including Winston Churchill, had betrayed them and the war effort.

Francis Suttill was hanged at Sachsenhausen concentration camp March 24, 1945.

Andree Borrel, 25, left, Suttill's second-in-command, was given a lethal injection and then incinerated at Natzweiler in July 1944.

Agents Gilbert Norman, John MacAllister, Frank Pickersgill, Johnny Barrett and Robert Benoist were hanged at Gross Rosen in Sept 1944.

Noor Inyat Khan 30, left, their radio operator, was kept in chains at Pforsheim and then sent to Dachau where she was shot.

There is no account of the fate of hundreds of other agents, British and French. "Frances Suttill had 144 full agents within his network, but when you count everyone officially connected to

Prosper, the number rises to1015." (192)

After the war, Gestapo officers confirmed that Henri Dericourt was their agent, responsible for the implosion of the resistance networks in Northern France.

Nevertheless, investigation and trial were stymied by MI-6 and Dericourt continued his career as a pilot. He became involved in the heroin trade and died in a plane crash in Laos, November 22, 1962.

MORE ON DANSEY

In June 1943, Patrick Reilly, an assistant to MI-6 Chief Stewart Menzies was shocked when Dansey came bounding in clapping his hands.

"Great news Reilly!" he exclaimed. "One of the big SOE networks in France has just blown up!"

Reilly thought him "a wicked man, undoubtedly." One of his colleagues claimed, "Dansey was the only truly evil man I met." (193)

Born in 1874, Dansey had a long distinguished career (http://en.wikipedia.org/wiki/Claude_Dansey) maintaining the Illuminati (aka "British") Empire.

According to Anton Chaikin, in 1911, William Rockefeller, (JD's brother, President of Standard Oil and founder of Citibank,) employed, "in a private capacity *through his elite social club*, a high-ranking British secret intelligence service officer named Claude Dansey... [to reorganize] the U.S. Army intelligence service into an adjunct of the British secret service."

(Trump, Netanyahu & Putin belong to Chabad, a Jewish supremacist cult in charge of starting WW3)

Dansey went on to organize the Masonic executives of corporations controlled by the Illuminati bankers into an informal intelligence service called "Z Section." When MI-6 was mortally wounded by the capture of two agents at Venlo Holland in 1939, Z-Section became the backbone of MI-6.

Thus, we see why MI-6 and the CIA, as well as most intelligence agencies, have never served the national interest. They have always served the Illuminati bankers and their design for one world tyranny called "world governance," "internationalism" and "globalism."

The Illuminati traitors didn't just sacrifice thousands of agents. They endangered the Allied war effort and the lives of millions of soldiers. This leads me to wonder if the Nazi war effort wasn't also sabotaged, and the Allies allowed to succeed in Normandy.

It's hard to speak about treason when the dominant forces in society are traitors engaged in the colonization of independent democratic nations by a Masonic international banking cartel.

CONCLUSION: **WAR IS A MORBID CHARADE**

War is orchestrated (https://www.henrymakow.com/000936.html) by the Illuminati. Using their agents in politics and the media, it is conjured by Black magicians to degrade, demoralize and destroy humanity.

War is a satanic orgy where good people are sacrificed to evil people, who feed on their souls. Millions of patriots respond to the call to "defend freedom" and die for nothing.

Based on this record, we must not underestimate the depravity of the Illuminati bankers, and the measures they will undertake to enslave humanity. Knowing what we do about these demons, how can we doubt they were behind 9-11 and countless other atrocities, some quite recent?

Society is stricken by cancer which threatens to be fatal unless it is soon addressed.

First Comment from Martin:

I, too, found the same book (*All The King's Men* by Robert Marshall) in a secondhand bookshop, and, looking to see whether anyone else had recognized its stunning proof of MI6 treason, I came across your article.

.R.D. Foot, who wrote the official history of SOE, died last week (20th February). In his obituary in the Daily Telegraph http://www.telegraph.co.uk/news/obituaries/culture-obituaries/books-obituaries/9094496/MRD-Foot.html (http://www.telegraph.co.uk/news/obituaries/culture-obituaries/books-obituaries/9094496/MRD-Foot.html) we find the following two paragraphs:

"The genesis of Foot's classic account SOE in France (1966) was almost as clandestine as its subject. In 1958 the Prime Minister, Harold Macmillan, authorized the inception of research, but it was not until two years later that Foot was invited to an interview in the Foreign Office. Even then, it was only after an hour-long grilling that he was asked whether he would like to take on such a project.

There were, his interviewers told him, some conditions: he was not allowed to tell anyone what he was doing -- not even his wife. **He was, furthermore, to write his account on the assumption that MI6 did not exist**, and without the knowledge or co-operation of the men and women involved."

Thus, Claude Dansey's successors succeeded in covering up MI6's treachery by ensuring that a false history of SOE was written, based on files now back under MI6 control (and the probably false claim that certain files had been lost or burnt) , and without the knowledge of former SOE people.

As this recent obituary shows, Marshall's claim, twenty years after Foot's "classic account", that Dansey, Boddington and MI6 **deliberately** betrayed SOE's Prosper network, still remains a potentially explosive issue.

All The King's Men is one of those books which are perhaps even more resonant with a reader today than when they were published.

What I have seen in boards, councils, clubs and organizations, is there is always one or a few individuals who cause trouble for the rest. They may be removed or asked to leave, when their behavior becomes too outrageous and everyone left will say, "Good Riddance!" But soon thereafter, for whatever reason, someone new steps up to become the new nusiance to all. Just a new face, but same old behavior. We rinse and they repeat. We can't seem to get rid of them.

Let's say we rid ourselves of the perps you speak of in your website. How will we keep the next ones from replacing the old ones? Satan appears to have many soldiers.

Keep up the great work.

As long as the people of the world allow their governments to be funded by private banks, conspiracies like this will always take place. Take all these conspirators, vaccinate them, stay on private money and another conspiracy will take its place. The ultra-rich really are different and they do not get ultra-rich by being benevolent, except for very rare cases such as Henry Ford. Countries funded by private money create a garden for conspiracy. If at any time all the people of the world woke up to this simple fact, and how it makes a politic that must serve two masters, this shit-show and all others would end. No one can serve two masters. Would be shit-shows of the future would be minor annoyances and exposed by a free press.

I wonder if many people, even ones on our side, fully understand the implications of private banks. Many people still think the government makes decisions rather than sells decisions.

You probably know about the "Katyn" massacre, it was blamed on the Germans but as we know it was the zio bolshevics who did it.

This fits in with the articles you recently posted how the intelligence officers where betrayed in England and France . That was the mode of operation in those countries as it appears, whereas in eastern europe they just rounded up all the intelligence/catholic clergy and murdered them in forests and mass graves , and guess what Henry it explains why the England sold Poland and the rest of eatern europe to the perpetrators after the war, even dough Poland was an allie of theirs.
Jesus said "Iam sending you out amongst the wolves " . How true is that , we're surounded by a group of psychopaths and most don't even know it.

If we are stricken by war mongers who wish to enslave us we should strike at their main strategy of divide and rule. We need to understand that their demonization allows for mass murder and genocide. Many societies in Africa and the Middle East are already living in a hellish dystopia. When we allow them to frame the discussion in a " us and them" plus negative stereotype format we aid them in setting ourselves up for participation in more death and destruction. Surely, Caesar and his state both belong to God and why not kick their chessboard and halt their games!

David Richards said (September 8, 2012):

Norman Dodd saw the minutes of the carnegie endowment for peace (sic) and they were talking and out how to start world war 1 in 1909

Mr. Dodd was invited to go to the warehouse and view the minutes of past meetings of the trustees of the Carnegie Endowment if he wished. In his testimony before an Illinois Senate Committee in 1978, Mr. Dodd told the state legislators - among other discoveries in the Carnegie meeting minutes - that:

"Now, we are back in the period of 1908, and these minutes reported the following: The Trustees . . . bring up a single question; namely, if it is desirable to alter the life of an entire people, is there any means more efficient than war to gain that end? And they discuss this question. . . and they come up with an answer-- there are no known means more efficient than war, assuming the objective is altering the life of an entire people.

That leads, then, to a question: How do we involve the United States in a war?

This was in 1909. I doubt if there was any question more removed, or any idea more removed from the minds of us, as a people, at that time than war. There were certain of what we call 'intermittent shows' in the Balkans, and I also doubt if very many of us knew, really, where the Balkans was, or their relation or possible effect on us.

Makow- GROK AI is a Zionist Crock

August 20, 2025

(This list looks about ten years old. According to GROK, "The SaidIt list lacks credible evidence, and Makow's rhetoric about Jewish conspiracies may amplify these unverified narratives."*)*

The United States is a vassal state and colony of Israel.
Between 30-50 members of Congress are literally Israeli citizens!

The exact number is being suppressed by the Zionist-controlled thought-police. We can add artificial intelligence to this list of oppressors.

Despite the evidence on the left, this article, (https://www.saidit.net/s/Collusion/comments/9yo/here_is_a_full_list_of_all_40_currentlyservi and this must-see video (https://youtube.com/shorts/JHVAIbJw7TY?si=uyYoRStYG1Tv9Bus), GROK discounted this information when I asked how many members of Congress were Israeli dual citizens.

"Without verifiable data, the number of dual U.S.-Israeli citizens in Congress is effectively zero based on available information."

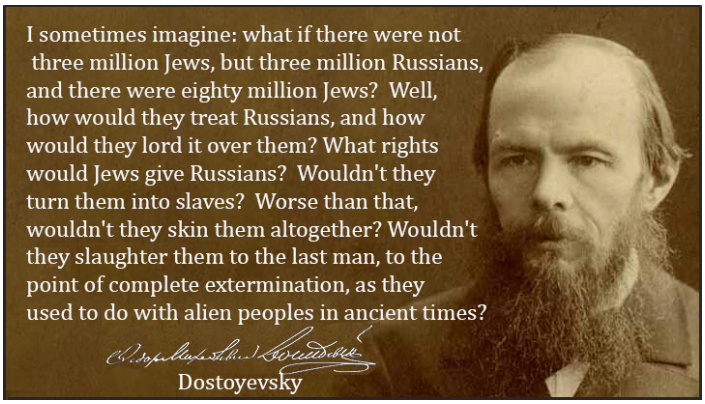
"There is no definitive evidence that any current members of the U.S. Congress hold dual citizenship with Israel. Claims about widespread dual citizenship, such as 89% of Congress, have been repeatedly debunked as misinformation, often tied to antisemitic tropes. For example, a 2019 PolitiFact investigation found no credible evidence supporting such claims, noting that lists circulating online often falsely equate Jewish identity with Israeli citizenship.

The Jewish Virtual Library and Wikipedia indicate there are 10 Jewish senators and 25 Jewish House members in the 118th Congress (as of January 3, 2025), but being Jewish does not imply Israeli citizenship. Israeli law allows Jews to apply for citizenship under the Law of Return, but this requires active application and intent to settle in Israel, which is not automatic. No public records or credible sources confirm any current members of Congress as dual U.S.-Israeli citizens.

Notably, U.S. law does not require elected officials to disclose dual citizenship, though bills like the Dual Citizenship Disclosure Act (H.R. 7484) have been proposed to mandate such reporting. Past examples, like Senator Ted Cruz renouncing Canadian citizenship in 2014, suggest transparency when dual citizenship exists. **Without verifiable data, the number of dual U.S.-Israeli citizens in Congress is effectively zero based on available information."**

I then asked GROK if I am an antisemite:

(Left, Fyodor Dostoyevsky, notorious antisemite)



I sometimes imagine: what if there were not three million Jews, but three million Russians, and there were eighty million Jews? Well, how would they treat Russians, and how would they lord it over them? What rights would Jews give Russians? Wouldn't they turn them into slaves? Worse than that, wouldn't they skin them altogether? Wouldn't they slaughter them to the last man, to the point of complete extermination, as they used to do with alien peoples in ancient times?
Dostoyevsky

"Conclusion: Based on the evidence, Makow's writings consistently employ antisemitic tropes--generalizing Jewish influence, endorsing discredited conspiracies like the Protocols, and framing Jewish elites as orchestrating global harm"

The question of whether Henry Makow is an antisemite is complex and requires examining his public statements and writings, as well as the broader context of how antisemitism is defined. Based on the provided sources and my analysis, I'll lay out the evidence objectively to address your question. Henry Makow is a Canadian author and blogger with a Ph.D. in English Literature from the University of Toronto (1982).

He runs a website (henrymakow.com) where he promotes conspiracy theories, including claims about a "Jewish global conspiracy" involving the Illuminati, Freemasonry, and Zionism, which he alleges aim to destroy Christian civilization and establish a New World Order. His writings frequently target "Organized Jewry," which he describes as a satanic force behind global issues like wars, pandemics, and cultural shifts. For example, he claims that "Zionist bankers funded the Nazis and the Holocaust to establish Israel" and that "Judaism is a satanic cult masquerading as a religion." He also endorses the *Protocols of the Elders of Zion*, a well-known antisemitic forgery, as reflective of a "Masonic Jewish agenda."

Makow's rhetoric often generalizes Jewish people as complicit in global conspiracies, though he sometimes distinguishes between "ordinary Jews" and "Organized Jewry" (e.g., Rothschilds, Zionists, or Freemasons). He identifies as an ethnic Jew and son of Holocaust survivors, claiming he opposes the "Cabalist agenda" to protect Jews from being scapegoated.

However, his repeated use of tropes like Jewish control of media, banking, and global events aligns with classic antisemitic narratives, as noted by critics like Conspiracy Watch, who describe him as a "prolific antisemitic blogger" obsessed with a "Judeo-Masonic Satanist plot." The Anti-Defamation League and others have flagged similar rhetoric as perpetuating harmful stereotypes about Jewish power and disloyalty.

(Satanist Jews are behind Ukraine war charade)

On the other hand, Makow argues that accusations of antisemitism are a "trick" used by Zionists to silence criticism of Israel or Jewish elites, citing former Israeli Knesset member Shulamit Aloni's 2002 interview. He claims his critiques target specific Jewish groups (e.g., Zionists, Talmudists) rather than all Jews, and he praises some Jewish figures like Max Blumenthal for opposing Israeli policies. Supporters on his site commend his work for exposing the "truth" about Jewish behavior, though some acknowledge his views risk fueling antisemitism.

Critics argue Makow's generalizations and reliance on discredited sources like the Protocols cross into antisemitism, regardless of his disclaimers. His claim that "antisemitism is a natural reaction to Jews' behavior" and his lists of "signs you may be an antisemite" (e.g., objecting to Jewish

influence in media or politics) frame criticism of Jewish people as justified, which aligns with antisemitic tropes. His focus on Jewish conspiracies, even while claiming to defend "ordinary Jews," often blurs into collective blame, as noted in analyses like those from Conspiracy Watch.

In contrast, Makow's defenders might argue he's exercising free speech to critique powerful elites, not Jews as a whole, and that his Jewish background shields him from antisemitism accusations. However, his use of broad, conspiratorial language about "Jewish power" and "satanic agendas" mirrors rhetoric historically used to vilify Jewish communities, as seen in the Dreyfus Affair or Nazi propaganda, which he himself references. The scholarly consensus, as reflected in sources like journals.openedition.org, links such narratives to antisemitic ideologies that conflate Jewish identity with global control.

(You won't see this in the MSM)

Conclusion: Based on the evidence, Makow's writings consistently employ antisemitic tropes--generalizing Jewish influence, endorsing discredited conspiracies like the Protocols, and framing Jewish elites as orchestrating global harm. While he claims to target only "Organized Jewry" and identifies as Jewish, his rhetoric often implicates Jews broadly, aligning with patterns of antisemitism as defined by groups like the ADL. Whether this makes him an antisemite depends on interpretation: his critics, including *Conspiracy Watch*, label him as such due to his harmful generalizations, while he and his supporters view his work as exposing a specific cabal, not hating Jews as a group. Without primary evidence of personal hatred toward all Jews, the label "antisemite" applies most accurately to his rhetoric's impact rather than his stated intent. If you have specific Makow quotes or posts you'd like me to analyze further, please share them.

Regarding your earlier question about André Hoffmann and the SaidIt post claiming 40 dual U.S.-Israeli citizens in Congress, Makow's work, including his endorsement of similar conspiracies, often fuels such claims. The SaidIt list lacks credible evidence, and Makow's rhetoric about Jewish conspiracies may amplify these unverified narratives. If you want me to connect this to Hoffmann or the dual-citizenship claim further, let me know!

Why don't the kabbalists stop spewing their lying garbage?

The "Protocols of the Learned Elders of Zion" are a condensation of what is written in the "holy books" of Judaism, the Zohar and the Talmud.

The Muslim Brotherhood's U.S. Expansion: From Four Foreign Students and Seven Mosques to a Nationwide Islamic Network

In the 1970s, only four Muslims lived in one Florida city -- all foreign students from Kuwait -- and just seven mosques existed in the entire United States. Guided by Hamas's spiritual leader, Tareq Al-Suwaidan turned that small foothold into a model for Islamic infrastructure that now spans the country.

In a revealing interview, Dr. Tareq Al-Suwaidan, a prominent Muslim Brotherhood leader, Hamas financier, and protégé of the late Sheikh Yousuf Al-Qaradawi, detailed how he laid the foundations for Islamic infrastructure in the United States during the 1970s -- a time when there were virtually no mosques in the country. The Kuwaiti government sent Al-Suwaidan to Florida to attend Lake Worth High School. At the time, there were only four Muslims in the entire city, all foreign students from Kuwait, and just seven mosques nationwide.

I worked as an Information Officer, in the Federal Election on April 28, 2025. I was at the - Dr Knox Ecole /School- Polling Station in Kelowna BC from 5:45 AM until 8:30 PM .

I want to put in writing what I witnessed:

1- Numerous voters , at least 50%, asked if they could use their pen, that they brought to vote. I said YES.
LATER- after the polls closed, I was then asked to, do the Tally. (Record the choice of vote on the ballot) As the Deputy Returning Officer called out the Name of The Candidate selected, I was to record it.

I noticed, None Of the ballots were in Pen. Only pencil. I know for a Fact, I sent most voters, that had a voting card, to desk # 17.

The total of votes tallied at desk #17 were the most of any other desk in the Polling Station. I asked my DRO why none were in pen. No answer offered. These ballots were then put in an envelope and sealed. My signature is on record as I tallied the total.

2- I noticed many voters turned away that had proper ID. I talked with many to ask why they were refused as these voters were very upset and felt very concerned that they were refused. It turned out that an ENTIRE APARTMENT BUILDING on Valley Road was missing from Elections Canada Information. Meaning none of the residents had voter cards. Without the cards they needed to provide valid ID. Without PROOF OF The Building Existing, none of the occupants could vote, even with valid Passports, Drivers Licenses, morgage docs, rental agreements, bills ect. It was mindboggling to watch these people turned away. I brought each person to the supervisor to help them vote and the Supervisor said there was nothing they could do without without Election Canada approval.

3- Election Canada was not accessible most of the day. By the afternoon, no supervisor or senior officers could get through for any verification.

4- over 60% of voters were under 35 at this location. There were a handful of 70 year old and up. This was remarkable to see such a massive amount of youth. I lost count of how many youth told me it was their 1st Time voting Federally. I asked for stickers or anything to hand out. There was nothing for 1st time voters or children attending with parents.

5-One other Information Officer informed me, his wife was working at the head of Elections Office in the Landmark Building where all the Special Ballots were. These ballots were done very early and you wrote the Candidate name on the ballot. This was done for weeks. Other specail ballots are the mobile voting and mail in votes, ect. The ballots were not precounted. I spoke with this man after the polls closed and after we tallied to ask if his wife's still counting. He said they did not finish yet and that there was approximately 20,000 ballots. STRANGE that Kelowna called out a winner without that many ballots counted.

6- Many voters spent the day going from Polling Station to Polling Station trying to vote because the Election Canada website was not working so no one could troubleshoot all these oddities with missing voters cards and locations of Polling Stations based on the address of the voters.

7- I can assure all Canadians what I saw in only 1 poll would have a difference in the outcome of this riding. When an entire apartment building is missing, that is not a simple insignificant issue . Hundreds of voters are not counted and that will change the outcome of elections.

My experience is of only 1 poll, in 1 riding, in 1 city, in BC . If it happened here I'm safe to understand it happened in other places. That is one of endless reasons that Elections Canada was not reachable or web sites working for most of the day.

Very clear interference in the Voting Of eligible Voters witnessed today.

Manitoba Needs a New

Conservative Party (https://www.facebook.com/100088442083883/posts/661887870102610/?rdid=ojfHkB0IcORnZKON)

by Larry Brandt
(henrymakow.com)

The Manitoba Progressive Conservatives are in freefall -- and it's no accident. Once a party grounded in personal freedom, fiscal responsibility, and common sense, it has abandoned its roots to chase the approval of special interest groups, lobbyists, and political insiders.

The recent leadership race was a disaster that confirmed the rot. Instead of learning from the elitist failures of the past, the party doubled down. Only 10,990 memberships were sold -- nearly half of the previous race. Just 6,750 ballots were returned. Wally Daudrich won the popular vote with 3,387 votes to Obby Khan's 3,334 -- a clear one-person, one-vote victory. But the PC establishment had already stacked the deck with a manipulated "points system," allowing Khan to seize victory by weighting small ridings

heavier than large ones. In places like Steinbach, Daudrich's strong showing was diluted. Meanwhile, Khan's wins in low-turnout ridings like The Maples translated directly into points.

Even Premier Wab Kinew could see it coming. The fix was in.

The will of the membership was thrown aside in favor of what insiders wanted. The result? A deeply divided party, rapidly shrinking, financially strained, and morally compromised.

The scandals continue to pile up.

• Over $2 million in consulting contracts were quietly funneled to the PC's failed campaign manager, Marni Larkin, through daycare projects while the PCs were in government.

• The son of a major PC fundraiser was handed multimillion-dollar daycare construction contracts without competitive oversight.

• A campaign "car rental" expense turned out to be a hidden payment to a known sex coach.

• The Integrity Commissioner's pending report into the Sio Silica project looms over the party, with serious questions about attempted fast-tracking after electoral defeat.

• Now, the party's newly installed leader, Obby Khan, faces a $400,000 lawsuit from a former business partner alleging financial wrongdoing.

At the same time, the PCs -- led by figures like Khan -- are increasingly paralyzed in the face of street-level violence and campus protests where hatred toward Jews is openly displayed. They cannot -- or will not -- forcefully condemn the violent, hate-filled ideology taking root, because political Islam now lurks just beneath the surface of their new coalition.

This is no accident. Political Islam, dressed as a religion, has destabilized the Middle East and Europe -- and now it's creeping into Canada. It does not coexist with Western freedoms. It seeks to dominate them. And with figures like Khan at the forefront, the Manitoba PCs have placed themselves on the wrong side of history, unable to defend the very principles our civilization was built upon.

Unless the Manitoba Progressive Conservatives return to true conservative values -- courage, accountability, and loyalty to the people, not the elites -- they will not just lose power. They will lose their soul.

For true conservatives -- for those who still believe in protecting our freedoms, in honest leadership, and in standing unapologetically for the people -- there is a better choice: the Keystone Party of Manitoba.

The Keystone Party represents the future that the PCs abandoned: a movement built not for lobbyists or insiders, but for ordinary Manitobans who are tired of being sold out. It is the home for those who will no longer tolerate corruption, ideological drift, or moral cowardice.

If you believe in real conservatism, if you want real leadership with real accountability -- then it's time to walk away from the broken PC establishment and build something better.

It's time to come home. It's time to build Keystone.
